WetStone Partners With S.A.T. Trading, Dubai

August 12, 2020. WetStone Technologies, the world's leading provider of commercial steganography detection software and wholly-owned subsidiary of Allen Corporation of America, announced today a value added reseller agreement with Scientific Analytical Tools (S.A.T Trading LLC), an international partner dedicated to addressing the digital forensics requirements of their clients in the UAE, Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, Turkey, Jordan, India, Malaysia, Nepal, Pakistan, and Bangladesh. The agreement encompasses the resale of WetStone's StegoHunt™ MP, Stego-Command™, and Gargoyle Investigator™ MP products.

“We are excited to add S.A.T. to our partner network,” said Carlton Jeffcoat, Senior Vice-President for WetStone Technologies. “S.A.T.’s mission is to provide quality products and services in the field of forensic science and technology and, working together, we look forward to introducing WetStone’s advanced steganalysis and malware discovery tools into new markets.”

“We are pleased to join hands and partner with WetStone Technologies, the award-winning cyber security division of Allen Corporation of America” said Ehsan Ravari, Business Development Manager for S.A.T Trading LLC. “WetStone is a leader in research, technology and training solutions for investigators and analysts engaged in cyber-crime investigations, digital forensics, and incident response. We look forward to advancing our cooperation in the GCC region”.
